

Beech Grove Greenscape Commission Meeting Minutes  
May 21, 2018  
Sarah T. Bolton Park

Meeting came to order at 6:05 pm

Members present: Sister Sheila Fitzpatrick, Matt Nelis, Angel McKenna, and Deb Foster

Members absent:

A recap was done of the Going Green in the Grove event. It was observed that attendance seemed to be up over the first two years. After more trees were picked up from the Community Center, there were only about 30 left out of 500.

A short review was done on the updated Mayor's plan and how it would involve the Greenscape Commission.

The remainder of the meeting was dedicated to the discussion of a pollinator garden in Sarah T. Bolton Park. Many grants exist for this, and there is space behind the maintenance building that can be used. The grounds were walked and a general plan formed for a phase one. The next step will be to secure a grant for funding.

Meeting adjourned at 8:15 pm

Next meeting: Monday, June 18, 6:00 pm at the Hornet Park Community Center.

Respectfully submitted,

Matt Nelis, Secretary
