

Tree Planting Permit Checklist

- Fill out Permit Form (attached) completely.
- Use trees from attached tree list. Trees specified that are not on list must be approved.
- Make sure planting is not:
 - within 25 feet of any street intersection, measured from the point of nearest intersecting curbs or curb line.
 - within 10 feet of fire hydrants.
 - within 10 feet either side of overhead utility wires.
 - within 8 feet of any underground utility fixture on maintenance door side of cabinet.
- Choose the right size tree for planting strip:

Planting strip less than 4 feet:	No Tree permitted
Planting strip 4 to 6 feet:	Small Tree
Planting strip 6 to 8 feet:	Medium Tree
Planting strip 8 feet or greater:	Large Tree
- Send completed application to:

Beech Grove City Hall
806 Main Street
