From the desk of the Mayor

Within the next couple of weeks, contractors will begin replacing driveway approaches, bad sidewalk panels, and curbs in the following areas of our city. If your driveway approach is going to be replaced, you will be receiving a notice from the General Contractor (Grady Brothers or their Sub Contractor) that work will begin soon.

Listed below are the areas that we are focusing on for 2023:

- Cleveland Street: Churchman Avenue to the Cul-De-Sac
- Byland Drive: 6th Avenue to 9th Avenue
- Elm Street: 4th Avenue to 9th Avenue
- 16th Avenue: Buffalo Street to Detroit Street
- Hornet Avenue: Emerson Avenue to BGHS
- Groveswood Drive: Groveswood Place to Emerson Avenue
- Killian Drive: Ash Street to Elm Street

Bad sidewalk panels, curbs and driveway approaches have been identified by Engineers hired by the City of Beech Grove and have been marked on the General Contractors blueprints.

In April when the asphalt plants open, the roads listed above will be repaved.

Respectfully Submitted,

Dennis B. Buckley

Mayor
