Dear Board,

I am asking for approval for the surplus of our Golf Cart. This vehicle was purchased used and has served the City for approximately 17 years. It was recently replaced by a new Kabota though grant funding. This vehicle has no value and would be cost prohibitive to maintain. Over the last five years Indianapolis EMS has supplied the Beech Grove Fire Department with batteries to maintain its use at special events. If approved, I would like to offer this vehicle to Indianapolis EMS.

Respectfully Submitted,

A handwritten signature in cursive that reads "Robert Cheshire".
