Re: Recommendation to increase the hourly wage of Chad Seward

Dear Board,

It is my recommendation to the Board, that the City increase the hourly wage for Chad Seward from \$13.00 to \$14.00 per hour. This wage rate is reflected in the 2016 Salary Ordinance. There is money in the MVH budget to fund this increase.

Respectfully,

A handwritten signature in black ink, appearing to read "B Meriwether".

Brad Meriwether
Department of Public Works Director
City of Beech Grove
