

Beech Grove Police Department

340 East Churchman Avenue
Beech Grove, IN 46107-2006

Mark Swartz
Chief of Police

To: Mayor Buckley, Board of Works

April 6, 2015

From: Mark Swartz

Ref: Surplus Equipment

I am requesting to surplus out dated police car computers, some cannot be repaired and all of them do not have the security programs that are needed with the updated dispatch system. I am also requesting to surplus the mounts, consoles, consoles and misc. equipment for the mounts and consoles that went with the old computers and old cars.

I am requesting to surplus 7 Ford Crown Vic police cars that are mechanically costly and could be unsafe for police work. These vehicles will be offered for sale at an auction held for surplus city equipment.

Mark Swartz

Police Chief
