

Greenscape Commission Meeting Minutes  
Monday, April 21, 2014  
Hornet Park Community Center

Tim Latimer called the meeting to order at 5:00pm.

Members present: Beth Berg, Sister Sheila Fitzpatrick, Tim Latimer, Dave Miller and Brenda Wilson.

The commission discussed a date to inventory the new trees planted on Main Street.

Beth shared a list of remaining hazard trees with space for notes when reinspecting those trees and making recommendations to DPW.

Sister Sheila shared the Benedict Inn will hold an informational meeting about the Peace and Nature Garden for the community on May 13th. They will also be seeking volunteers to assist with different phases of the project. They are still considering possible dates in October for the Arbor Day tree planting to be held on the site.

Clean-up Day in the Parks went well with just enough volunteers to accomplish the mulching, weeding and clean up planned for the day. Beth stated that for next year the Parks Department will be changing the name of the annual event to "Community Day in the Parks."

The meeting adjourned at 6:00pm.

Respectfully submitted,

Beth Berg  
Secretary, Beech Grove Greenscape Commission
