Craig Wiley, City Attorney

Re; Recycling Bid

Dear Board of Public Works and Safety,

After reviewing all three bids for recycling, I'm recommending that Ray's Trash Service be awarded the bid for the Hornet Recycling Program in the City of Beech Grove.

Should the Board of Public Works and Safety approve the bid from Ray's Trash Service, we will begin working towards implementation of recycling on August 1<sup>st</sup>.

Respectfully Submitted,

Brad Meriwether  
Department of Public Works Director  
City of Beech Grove
