

Greenscape Commission Meeting Minutes  
Monday, May 16, 2016  
Hornet Park Community Center

Members present: Beth Berg, Matt Nelis, and Brenda Wilson. Absent: Sister Sheila Fitzpatrick and Stuart Wilson.

Beth Berg called the meeting to order at 5:10pm.

Members discussed the Street Tree Planting Permit and how it could be revised to be more user friendly and make it easy to understand the requirements. Beth will work on a revision and present it for consideration. There was further discussion on why certain species have been prohibited for street tree plantings and the importance of diversity in our urban forest.

Mayor Buckley had emailed information on picking up flowers for the block on Main Street he has adopted through Keep Indianapolis Beautiful. It was not clear what the expectations were as far as participation from the commission. Brenda Wilson texted the Mayor during the meeting and she will pick up his flowers along with her own.

Respectfully submitted,

Beth Berg,  
Secretary, Beech Grove Greenscape Commission
