Ref: Surplus Police Equipment

Dear board I am requesting to surplus 3 Crown Vic police cars that are mechanically costly to maintain and could be unsafe to drive for police work. Two cars are 2008 and one is a 2006. I am requesting to surplus 2 Chevy Suburban's, one has a blown motor and would be too costly to fix the other has high mileage and is costly to maintain, both are 1998's. I would also like to surplus a snow blower that has not been used in at least 3 years and is at least 20 years old.
