Gentlemen, Angel, and Dan:

Just a quick note to update everyone that we did not have an official May meeting due to lack of a quorum.

Angel, Joe, Tom and I were present and while we enjoyed stimulating intellectual conversation for about 30 minutes we couldn't conduct any official business. We did casually discuss a couple of issues including the passing of the BG City ordinance to add back a 6th Parks Board member position that was a library appointee.

Also, Angel I did contact Phil Barnard with the BG Promoters Club and he is in agreement that the 1st Saturday in August fireworks contingency will begin in 2019 so no worries this year.

Our next Parks Board meeting is scheduled for Wednesday, June 13, 2018 7:00pm at HPCC.
