

Beech Grove Police Department

340 East Churchman Avenue
Beech Grove, IN 46107-2006

Mark Swartz
Chief of Police

To: Mayor Buckley, Board of Works

Ref: Fence at the Police Station

I have received two quotes, one from K&K fence the other from Lowe's Beech Grove. The fence secures the back of the police station with 6 foot high fence, two drive-through gates and one walk-through [between the fire and police departments]. The drive gates will be automatic.

Quote from K&K is \$27,815.00, does not include the needed electrical and pavement work.

Quote from Lowe's is \$27,486.04 and includes an entry system that the officer can use with their in car radios to open. This system does not require and pavement work.

Mark Swartz
