

Greenscape Commission Meeting Minutes
Monday, June 17, 2013
Hornet Park Community Center, Room D

Meeting was called to order by Chairman Dave Miller at 6:00pm

Members Present: Dave Miller and Beth Berg. Absent: Tim Latimer, Lynn Huff and Jacki Brown.

Guests: JoEllen Castetter

A quorum was not present, no business was conducted.

Dave Miller reported on progress with the inspection of city ash trees. About half on the list have been looked at to date with no finding of emerald ash borers.

Miller asked Beth Berg if anyone outside of city crews had been working on the Emerson Avenue medians. She was not aware of any contracted work but will ask about it.

JoEllen Castetter asked if burning ash tree wood in a fireplace is okay to do. Miller stated it is. She also asked about giving away ash tree wood. Miller stated that is okay as well, but whoever takes it should be advised not to take it out of the area.

Berg reported that an American Elm seedling from the sole surviving tree in the Oklahoma City bombing has been planted in Don Challis Park near the entrance sign. It was donated by the Gurganus family.

The next meeting of the Commission will be Monday, July 15, 6:00pm at the Hornet Park Community Center.

Meeting adjourned at 6:50pm.

Respectfully submitted,

Beth Berg
Secretary, Beech Grove Greenscape Commission
