THIS SATURDAY: Beech Grove residents work together to beautify their city
Community volunteer project will repaint dilapidated wall bordering Amtrak
maintenance facility near Downtown Beech Grove

BEECH GROVE, Ind. -- Local residents will participate in a community beautification project this Saturday, Sept. 7, at 10 a.m.

A group of volunteers will repaint the wall bordering the Amtrak facility on South Emerson Avenue in Beech Grove. The wall, which runs from Albany Street to Garstang Street, has endured substantial weather damage.

The beautification project coincides with the kickoff of Beech Grove Fall Festival and the reopening of Main Street following months of street and sidewalk upgrades.

"This project showcases the spirit of Beech Grove as neighbors come together to give a few hours of their time to beautify our city," said Beech Grove Mayor Dennis Buckley.

"We've made a commitment to improving the quality of life for Beech Grove residents through massive infrastructure upgrades, a strong commitment to public safety and a renewed sense of pride in our community," Buckley said.

Volunteers who want to participate in the painting project are asked to park at the Beech Grove Bowl at 95 North Second Avenue. Please contact Scott Seach at 784-3743 for further information.

Media are invited to attend.
