

To: Mayor Buckley and Members of the Beech Grove City Council.

RDC meeting notes from August 20<sup>th</sup> 2015

The August meeting two meetings with the RDC hosting a Greenway presentation from 6-7PM and its regular meeting.

The Greenway meeting had 15 to 20 people attend. There were boards that showed the proposed routes and Trent Newport took about 35 minutes worth of questions. We are on schedule to present to the MPO in October.

The regular meeting started at 19:10. We did the payment of bills. We then had discussion with Tom Hammon around installation of cameras in the parks. Tom presented two quotes. The first was for around 25K to install cameras at all the parks as well as signage. The second was for around 11,760 from Central Indiana Security Corporation. The board members asked if the basketball courts were included in the coverage of the cameras and were told that they were not. The board asked Mr. Hannon to inquire about how much it would cost to also cover this area. The RDC did vote to approve the funds for the initial areas in the proposal. Mr. Hannon will come to the September meeting with that cost for the RDC to consider.

The RDC will start to work on a budget in the September meeting and will have that budget ready for council consideration at the November City Council meeting. All are welcome to attend and offer any insight or ideas.

Thank you for your time

Donald Webb

Beech Grove Redevelopment President
