- 3 – Sign Replacements or Repairs
- 42 – Miscellaneous Work Orders
- 5 – 30 yd Dumpsters for Brush/Heavy Trash
- 0 – 10 yd Dumpster for Metal

2. The Main St. project is currently open to traffic from 13<sup>th</sup> street to Emerson Avenue. A complete breakdown of the work being done and scheduling information for the final weeks can be found on the City's website at [www.beechgrove.com](http://www.beechgrove.com). The project is very near completion at this point.
3. Leaf season begins October 14<sup>th</sup>. DPW encourages residents to bag their leaves and put the bags next to their City Tote for trash pick-up. This greatly reduces the damage done to catch basins and the storm sewers when yard waste and leaves are raked into the street. More information regarding leaf pickup can be found on the City's website on the Department of Public Works page.
4. September 11<sup>th</sup> – 15<sup>th</sup> was the Fall Festival on Main Street. Thank you to the DPW employees who were on call during the event providing trash pick up and barricades. Also, thank you to both the DPW workers and volunteers from the Promoter's Club who came in Sunday morning to pick up trash and clean streets.
