- 0 – Broken Tote Lids Replaced
- 1 – Sign Replacements or Repairs
- 36 – Miscellaneous Work Orders
- 6 – 30 yd Dumpsters for Brush/Heavy Trash
- 1 – 10 yd Dumpster for Metal

2. The Street Department spent the night of October 31st and the following days cleaning up the debris from the wind/rain storm that hit the area. There were a number of trees damaged from the storm. Thank you to the employees who worked hard to clean up roads and alleys from storm debris.
3. The Main St. project is scheduled to officially open with a ceremony on November 14th at 1:00 pm. The Main Street corridor is currently open to traffic with only minor landscaping still taking place. Additional information specific to the Main Street project can be found on the City's website at www.beechgrove.com.
4. Leaf season began October 14th. DPW continues to encourage residents to bag their leaves and put the bags next to their City Tote for trash pick-up. This greatly reduces the damage done to catch basins and the storm sewers when yard waste and leaves are raked into the street. More information regarding leaf pickup can be found at the City's website on the Department of Public Works page.
