

Greenscape Commission Meeting Minutes
Monday, November 17, 2014
Hornet Park Community Center, Room D

Meeting was called to order by Chairman Tim Latimer at 5:10pm

Members Present: Beth Berg, Tim Latimer and Brenda Wilson.

Beth Berg suggested There may be something in the document Dave Miller shared about urban woodlots that could be a project for next year.

Brad Meriwether is working on the 2014 DNR with expenditures for the year. This is the last bit of information needed for the Tree City USA recertification application. The City will have to have spend at least as much money as in the previous year as a qualification for a Growth Award.

Replacement trees were installed on Main Street, but too late in the year for the Commission to inventory them with address locations.

A dead shagbark hickory tree and damaged bradford pear were removed from the grounds of the Hornet Park Community Center.

There will be no meeting held in December, which makes this the last meeting for Tim Latimer. The City Council will need to name a new member for a four year term beginning January 2015.

Meeting adjourned at 5:30pm.

Respectfully submitted,

Beth Berg
Secretary, Beech Grove Greenscape Commission
