

**MEMORANDUM OF UNDERSTANDING**

This Memorandum of Understanding (“MOU”) is between the City of Beech Grove (“City”) and the Beech Grove City Schools (“School”). This MOU sets forth the understanding as between the City and the School as it pertains to the funding of the Safe Routes to Schools Program, a federal grant awarded to the City.

**WHEREAS**, the City applied for and received funding from the Metropolitan Planning Commission for the Safe Routes to School Program; and

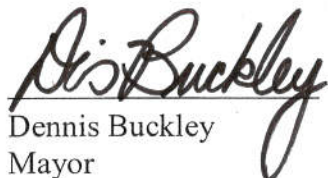

**WHEREAS**, the City shall use these funds to construct new sidewalks leading to its local schools to ensure the safety of its citizens and students; and

**WHEREAS**, the total cost of the project is projected to be \$466,300; and

**WHEREAS**, the City and School have agreed to split the projected costs pursuant to our required match; and

**WHEREAS**, the Clerk Treasurer shall invoice the school for the schools portion of the required match, but not to exceed 50% of the required match.

**IN WITNESS WHEREOF**, the parties hereto have executed this MOU on the dates subscribed below.
