There was a preliminary discussion of a 2017 Arbor Day event and Going Green in the Grove event. It was suggested that the Beech Grove Middle School may be a good partner for the Arbor Day event, as they are awaiting a tree grant from Keep Indianapolis Beautiful. An event may be planned in conjunction with a possible tree planting.

Preliminary dates for 2017 were decided. It was suggested that Angel McKenna be invited to the January meeting to discuss the 2017 Going Green in the Grove. Brenda Wilson is to contact her.

The next meeting will be Tuesday, January 17, 2017 at 5pm.
