Mayor asks Beech Grove residents to stay off roads this evening, City Hall to re-open tomorrow, additional snow-related updates

PLEASE STAY OFF LOCAL ROADS THIS EVENING: Beech Grove Mayor Dennis Buckley is asking Beech Grove residents to stay off local roads this afternoon and evening so the Department of Public Works can continue clearing streets following today's storm. DPW crews will be working through the night. If you have a driveway, please assist our DPW by moving your vehicle off of the street so crews can adequately clear snow from your street.

CITY OFFICES: Beech Grove City Hall will reopen tomorrow (12/27) at 8 a.m. Hornet Park Community Center and the Beech Grove Senior Citizens Center will remain closed Thursday and reopen on Friday (12/28).

TRASH PICKUP: Trash pickup is operating on a one-day delay. If your trash was scheduled for pickup today, it will be picked up tomorrow.

EMERGENCY REMINDERS: Please call 911 only in an emergency, not for transportation. If you have a chronic illness or suffer from heart disease, please do not shovel snow.

GENERAL SNOW REMOVAL INFORMATION: Beech Grove has retained three local contractors to assist DPW with snow removal. The city has used approximately 160 tons of salt to assist in clearing approximately 65 miles of roads within our city.
