

**Have you planned the next step
for your career?**

Southeast Community Services

is proud to introduce our

Career Pathways Program.

1st session starts AUGUST 10th

Here's what you get with our Pathways Program:

- **24 hours of job skills training including:**
 - Internet and email
 - Online job search skills
 - Applications, resumes
 - Interviewing practice
 - How to improve your credit score
 - Figuring out your salary needs
 - How to work with difficult people
 - Network with professional volunteers
 - How to advance your career
 - Much more!
- **18 hours of education training focusing on the skills you'll need to advance your career. (more is available as needed)**
- **We connect you to a FREE* industry certification training and the services of Work One Indianapolis.**
- **Sample trainings include:**
 - Production Technician (manufacturing) **(Starts 9/1!)**
 - Certified Nurses Aid (CNA)
 - Pharmacy Technician
 - CDL (trucking/logistics)
 - Forklift training

Then it's time to start your career!

Our coaches will work with you throughout the entire training so you can reach your goals!
Once you start work, we'll provide ongoing support for your first year on the job &
help you prepare to advance to your next step in your Career Pathway!

Here's how to get started:

- 1. Call (317) 236-7400 & talk to our Education Coach—Christopher.**
- 2. Come in for an information session**
- 3. Sign up and get your start date!**
