Re: Community Crossings Matching Grant Application  
2016 Roadway Rehabilitation and Related Items – Phase 2  
City of Beech Grove

The City of Beech Grove is pleased to submit an application requesting Community Crossings Matching Grant (CCMG) funding for Phase 2 of our 2016 Roadway Rehabilitation and Related Items project. The project will improve local roadways using a combination of milling/resurfacing, full-depth HMA patching and full-depth HMA reconstruction as needed. Improvements are also planned for adjacent sidewalks and curb ramps to improve ADA compliance. Twelve separate locations have been identified throughout the city and construction is planned for either late-2016 or early-2017, pending the award of this grant.

The total project budget is estimated at **\$784,700.00**. The total amount for Construction is **\$680,000.00**. The City requests 50% of this amount, or **\$340,000.00**, in funding. The City hereby commits to funding the remaining **\$444,700.00** of the project cost. The enclosed Project Preliminary Estimate provides a breakdown of required funding.

The entire project can be ready for bid as early as September 2016, but due to constraints on the construction schedule and pending notice of the award of this grant, we are considering the possibility of bidding the project as two separate packages. Package 1, with an estimated total construction cost of **\$223,000.00**, would be bid and constructed before the end of 2016. Package 2, with an estimated total construction cost of **\$457,000.00**, would be bid in the Winter of 2016 and constructed in the Spring of 2017. The City will bid and construct Package 1 regardless of whether or not the CCMG funding being requested is awarded.

We trust that this request and all supporting documentation will allow INDOT to determine the City's eligibility for the available funds. If you have any questions regarding this application, please contact Brian Pierson at United Consulting at phone number (317) 895-2585. Thank you for providing the City with an opportunity to participate in this selection process.

Respectfully Submitted,
