

2018 was a very productive year for us at the center. We kicked off the New Year with a trip to the Grand Casino. No big winners, cash wise, but the time spent with each other was priceless.

We also started taking appointments for AARP's free tax filing. This was their second year with us, and as more people heard more called for an appointment. We scheduled over 700 people for tax filing at our Center.

In the spring we took part in Passport on Main St. A few of our seniors and sponsors setup their own table. They showed the kids what they do now or what they did before they retired. One of our members was a plumber--he definitely stole the show. We handed out refreshments for the kids and their chaperones, just as Grandma and Grandpa would have on a visit to their home.

In the summer we went to Columbus, Indiana to Zaharakos. We had a great time looking at the antique ice cream parlor, eating good food, and trying some amazing ice cream. We also went to a dairy farm this summer where we were able to spend the day on a working farm. We purchased fresh cheese and tubs of fresh ice cream. It was good thing we brought a cooler!

In the fall we took part in our city's wonderful Fall Festival. We love seeing all of our neighbors and the folks who simply just come to our town for the Festival. We took our annual fall trip to Brown County, and spent the day enjoying the shops and each other. We held our second Murder Mystery dinner and show. It was an evening full of great food and suspense.

Beech Grove Senior Citizens 2018 Annual Report

In the winter we enjoyed some time with our BGHS students. They came over to share a day of games, snacks, and lots of laughter. We also had our Christmas Party. It was an evening of dinner and dancing. This year we had about 82 attendees along with Santa and his Elf. Santa brought a gift for all the seniors--it's a good thing the seniors were nice with him checking his list twice. The events of that night carried smiles on their faces well into the New Year.
