Re: Utility Rate Increases

Dear Commission,

I have had several citizens approach me concerned about public utilities asking for a rate increase due to the losses incurred from COVID-19 virus. These same citizens have also suffered their own personal loss over the past four months due to the COVID-19 virus.

On behalf of the citizens of Beech Grove, I ask that you vote to deny any increase from any public utility that may be presented to you as a result of the COVID-19 virus.

Thank you for your time and consideration.

Respectfully,

Dennis B. Buckley
Mayor
City of Beech Grove
