From the Desk of the Mayor,

After meeting with the Beech Grove Promoters Club, I am recommending to the Board of Public Works and Safety that we do not approve the upcoming Fall Festival Parade. It is simply impossible to provide any type of social distancing. I feel this is in the best interest of our citizens and all involved to sit this year out.

I am also going to recommend to the Board of Public Works and Safety that we not allow Main Street to be closed from 6th through 8th Avenue when the Fall Festival is scheduled. This is due to COVID and the fact that businesses have recently just reopened. It would not be in their best interest to close the street for another period of time.

I am working with the Beech Grove Promoters Club on the actual Fall Festival. When we have any further information we will share it with you.

Stay Safe!
