From the desk of the Mayor

Recently the Indianapolis Star reported that there is interest in constructing a community at the corner of Emerson and Raymond, to serve the homeless.

As of this writing I must tell you that I have not received any information concerning this venture from either the City of Indianapolis or the interested party. I have heard from a few elected officials, but that is the extent of it.

I haven't made any public comment on this but I must share with you that I oppose this. I want to sit back and see if anything begins to develop as I have been told that this will probably not come about. Should developments begin to occur, I will remonstrate against this project.

I must tell you that we have to deal with the homeless situation at hand. We can't turn our heads and look the other way. In our beautiful city we deal with homeless people everyday, you just don't see it.

Should something materialize, I will be in touch with you.

Respectfully Submitted,

Dennis B. Buckley
Mayor
City of Beech Grove
