Our new bus has arrived!!! Excitement was high at the center when in the middle of our Bingo luncheon , the bus was delivered to our back door ! We have been anticipating this day for quite awhile now. Members were so happy ,some even took pictures with it.

Besides our regularly scheduled activities we had pizza and played corn-hole for prizes, several of our members were picked up at the center and transported to Crestwood south where they enjoyed a delicious lunch as well as played bingo. We hosted a Euchre party at the center for several members.

We are all looking forward to being able to take more daytrips in the coming months since we have “New wheels”.

These are just some of the activities we provide during the month. For more information please call 788-4987 or log on to: [www.beechgrove.com](http://www.beechgrove.com) and go to the senior citizens link under community

## **Beech Grove Senior Citizens September 2015 Board of Works Report**

In September we transported 140 times

September brings the official end of the summer season and we begin to get ready for fall.

Our participation in Fall Festival is one of the clubs biggest fundraisers for the year. Our members always look forward to selling chili, hotdogs and nachos, and I believe our customers look forward to the homemade deserts and candy every year. We have many repeat customers from one year to the next. This was the second year that they sold hand made jewelry as well.

Since we have the new bus we were able to make up a couple of our trips we had to cancel earlier. Mayberry Café in Danville and Mrs. Curls ice cream in greenwood.

We offered a Healthy Habits for Adults class sponsored by Anthem/Blue cross. The members found it to be helpful.

Our Wii bowling league is still going strong!

Line dancing and square dancing seems to be enjoyed by many and, the Yoga class has more than doubled in size!! Thank you Phil Bogan for donating your time and talent!

More day trips and activities are in the works for next month so watch for them on the calendar.

These are just some of the activities we provide during the month.
