

Beech Grove Senior Citizens 2016 Annual Report

2016 Was a year of change for us here at the Senior Center.

We started the year off by saying our good byes to Carla Marchbanks , the former Director of 15 years here at the Senior Center. Three months later we hired our new Coordinator, Cindy Brosius. We pushed through the year transporting 1,895 times. As the number shows our transition and new hire had little to no effect on our seniors. We made sure to keep moving with business as always.

Over this past year we received sponsorship from our local nursing homes and Beech Groves Promoters Club. With their help we were able to provide a wide range of activities for little to no cost to our seniors. With one being our Christmas party. We had help from a few Elves' to make this year the best one yet. 65 attended the party, and it was a wonderful evening of dinner and dancing. Our helpers made sure that Santa was able to give each of our seniors a gift of their own.

We will continue looking for new and exciting activates for our seniors, as well as keeping the ones we love on our Monthly Calendars. As our new Coordinator learns the ropes, we are looking forward to where her plans might take us.

We have nothing but hope and excitement for the NEW YEAR!
