Street Department Report

May 7, 2012

1. April Work Order Information

- **8** – Pothole Requests
- **11** – Gravel Alley Requests
- **16** – New Totes Delivered
- **4** – Broken Tote Lids Replaced
- **10** – Sign Replacements or Repairs
- **58** – Miscellaneous Work Orders

2. Public Works Crew members have recently been assisting the Parks Dept. by using the line striping machine to paint the garage at the little league and stripe soccer fields in Sarah T. Bolton Park. There are plans to continue assisting the Parks Dept. in painting buildings throughout the Parks system during the summer months.

3. During the month of April, J. E. Brown Electric installed new outdoor lighting on both Department of Public Works buildings. This has greatly increased both the security and visibility throughout the DPW property. J. E. Brown also has plans to run electrical out to the City's Salt Barn to give DPW workers better vision when working nights during the winter months.

4. DPW workers spent the month of April cleaning and organizing the buildings and grounds. We had steel poles filled with concrete installed to protect the gas and diesel tanks in response to a recommendation made by HCC Public Risk Agency when they did an inspection of the DPW property.

5. On April 21st DPW volunteers met for a Community Clean-Up day. DPW volunteers picked up trash on Emerson Ave, removed brush from Subway blvd, cleaned out alleys, and did some weed eating in Sarah T. Bolton Park. Thank you to all who participated.

6. Members of the Street Dept. put out barricades on April 27th for the little league parade that took place April 28th. DPW workers also assisted the Moose Lodge on April 27th by providing barricades and sweeping the lot located at 2nd and Bellefontaine. This was done in an effort to help them with their 50th Anniversary Celebration held on April 29th.
