From the Desk of the Mayor.....

The City of Indianapolis Department of Public Works is set to close the bridge located in the 5800 Block of Churchman Avenue. The bridge is in need of structural repair and while the bridge is out of service, work will be done to upgrade the culvert which passes under the bridge. The estimated time for the bridge to be repaired will be approximately 2 months.

We have been watching this bridge, and recently had a steel plate installed in one of the travel lanes in an attempt to stabilize the road. We appreciate the City of Indianapolis quick response. We apologize for any inconvenience this may cause.

Respectfully,

Dennis B. Buckley
Mayor
City of Beech Grove
