Re: RFP for the Sanitary Sewer Utility

Council,

Included with this letter is the agenda for the special meeting on Monday April 15, 2019 at 7PM and the RFP along with (10) exhibits which is part of the RFP.

I wanted to get this out to you as soon as possible so you could review it before we meet. If you have any questions prior to our meeting, please contact Todd Burtron at 317-771-1357.

When we meet on 4/15/19, this will be the order of business:

- 1) Todd will go through the RFP with you along with any exhibits you may want to look at.
- 2) We will vote on whether to approve the RFP and exhibits or not.
- 3) Should you approve the RFP, we will than ask for approval to advertise the RFP to see whom may be interested in the purchase of the utility and what they would be willing to pay for the sanitary sewage utility and items associated with the operation of the utility.

This is the only order of business for this meeting.

The public is invited to attend and make public comments during the public comment section of the agenda. Comments are limited to the scope of the meeting which is the approval of the RFP.

Once the public comment portion of the meeting has concluded, we will not offer opportunities for the public to speak.

Thanks!
