Re: Community Crossings Matching Grant Application
2020-1 Roadway Rehabilitation and Related Items
City of Beech Grove

The City of Beech Grove is pleased to submit an application requesting Community Crossings Matching Grant (CCMG) funding for our 2020 Roadway Rehabilitation and Related Items projects. These projects will improve local roadways using a combination of milling/resurfacing, HMA patching and full-depth HMA reconstruction as needed. Improvements are also planned for adjacent sidewalks and curb ramps to improve ADA compliance.

The total construction cost for these proposed improvements, not including professional engineering services, is estimated to be **\$701,000.00**. The City is requesting 50% of this amount, or **\$350,500.00**, in Community Crossing Matching Grant funding. The City of Beech Grove hereby commits to funding the remaining 50% of construction costs plus the necessary professional engineering and inspection services in the amount of **\$508,225.00**.

We anticipate this project will be ready for bid by April 2020 and construction complete before the end of 2020.

We trust that this request and all supporting documentation will allow INDOT to determine the City's eligibility for the available funds. If you have any questions regarding this application, please contact Brad Meriwether, Director of Public Works, at phone number (317) 803-9098. Thank you for providing the City with an opportunity to participate in this selection process.

Respectfully Submitted,

Dennis B. Buckley
Mayor
City of Beech Grove
