April 9, 2021

*From the desk of the Mayor.....*

On March 31, 2021, the City of Beech Grove applied for a Federal Grant through the IN-07 FY 22 **"Appropriations Programmatic and Community Project Funding Program"**, for the amount of \$800,000.00 to make infrastructure improvements at the intersection of Subway and Emerson Avenue and at the intersection of Big 4 Road and Cincinnati Street.

This marks the third grant application that the City of Beech Grove has applied for to make improvements in local roads and sewers in the last six months. We are preparing to bid for the **OCRA** sanitary sewer project for the amount of \$600,000.00 and should hear soon if we will be awarded the **Community Crossings Grant Award** for the amount of \$375,000.00 to continue to repave local roads and streets.

On Wednesday, April 7, 2021, the Technical Committee of the Indianapolis MPO approved project funding from 2022 through 2025 for approved projects. This includes the Thompson Road Trail Project and the Roundabout Project at 25th, Churchman and Southern Avenues for the approximate amounts of \$1,470,000.00.

Respectfully submitted,

A handwritten signature in blue ink that reads "Dennis B. Buckley". The signature is written in a cursive style with a small cross at the end of the last name.

Dennis B. Buckley  
Mayor  
City of Beech Grove
