***From the desk of the Mayor . . . . .***

I'm happy to report to you that the City of Beech Grove has been awarded \$ 162,051.00 in funds from INDOT to continue to pave local roads. This gift is part of the Community Crossings Grant Program (2021-2022). This program has been in existence since 2016.

As a result of this gift, the City of Beech Grove will begin the design process to pave the following roads early next spring:

Buffalo Street – 5<sup>th</sup> Avenue to 6<sup>th</sup> Avenue

15<sup>th</sup> street – Albany Street to Main Street

Charnwood Parkway – 9<sup>th</sup> Avenue to Middleham Lane

Since the Community Crossings Grant program inception, the City of Beech Grove has received over one million dollars to pave local roads.

Our 2021 paving program is set to end by the middle of November. Thanks to everyone who was affected by construction crews working in your neighborhood this year, your patience was very much appreciated.

Respectfully Submitted,

  
Dennis B. Buckley

Mayor
