2. Leaf collection will end on December 7th. The Department of Public Works has been sparingly using their leaf machines to assist residents who do not have the ability to mulch or bag their leaves. If you have any questions please call (317) 803-9098.

3. DPW workers came in on Friday 11/23 to run both Thursday and Friday's trash routes. This kept the Holiday Trash schedule both simple and convenient for residents. Thank you again to the workers who came in on their day off during the Thanksgiving Holiday to make that happen.

4. The Public Works Department reports all street light outages to IPL. If someone knows of a street light that is out and wants to report it to IPL they may do so by calling 261-8111. You must be able to provide the pole number or address where the light is located.

5. QPR patching asphalt and gravel are currently being used by the Street Department to fill pot holes in streets and alleys. Please call 803-9098 to report any problems.
