Transportation Log attached

February is the month of love. To go with the love spirit we chose to do things we love, which is eating and being together. We got together at the center for a luncheon and games.

We loaded up the bus and headed down to Grays cafeteria with a full bus, and we did another thing we love to do, which is sight see. After our lunch we took the long way home in order to take in a little sight seeing. They all very much enjoyed seeing parts of Indy that they haven't seen in years.

We took a trip to Cracker Barrel one morning for breakfast, with a special surprise for all that went. We teamed up with the great people from Beech Grove Meadows and surprised the members with a free meal of their choice.

We also had our regular weekly programs such as Wii bowling, Line dancing, Square dancing, Yoga, Monday meetings followed by entertainment, Movie and snacks and a few card games.
