From the desk of the Mayor

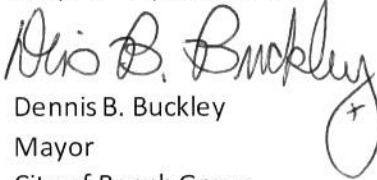

The City of Beech Grove has recently applied for more grant funding through the State of Indiana and INDOT.

The city has applied for two "SWIF" grants in the amount of \$ 250,000.00 each through the Indiana Finance Authority to conduct sanitary sewer manhole rehabilitation and to replace the parking lot at the Hornet Park Community Center.

The city has recently submitted a grant application through the Community Crossings Grant Program requesting approximately \$ 168,000.00 in funding to pave more local roads.

One of our highest priorities is to continue to improve our infrastructure, and these grants will help us attempt to achieve our goals.

Respectfully Submitted,

Dennis B. Buckley
Mayor
City of Beech Grove
