

Beech Grove Greenscape Commission Meeting Minutes
February 11, 2020
Keep Indianapolis Beautiful Inc.

Meeting came to order at 5:30 pm

Members present: Sister Sheila Fitzpatrick, Matt Nelis, Angel McKenna

Members absent: Mary Okragly and Teresa Lamb

In lieu of our normal monthly meeting at Hornet Park, we had a planning meeting for our pollinator garden at the KIB headquarters. Among the topics of conversation were promoting workdays to get volunteers, getting volunteers registered, what to expect on workdays, and items that will need to be provided. The first workday is tentatively slated for late March to early April.

*On February 17th, the project hit an unexpected snag. We will be unable to use our original location behind the maintenance building in the park due to the necessity of utility trucks occasionally needing to drive through the area to service the lines, and it overlapped the space being needed for the fireworks. Fortunately, we will be able to utilize another section in the park, which will be the north side of the road coming down from the Churchman entrance. Kelsey Behl of Mader Design was able to quickly put together a new drawing, and a meeting will be held March 3rd at 5:30 at Hornet Park Community Center to work on the new plan.

Meeting adjourned at 6:30 pm

Next meeting: March 16th at 6:00 at the Hornet Park Community Center.

Respectfully submitted,

Matt Nelis, Secretary
