

Beech Grove Greenscape Commission Meeting Minutes
September 17, 2018
Hornet Park Community Center

Meeting came to order at 6:00 pm

Members present: Sister Sheila Fitzpatrick, Matt Nelis, Amanda Rubadue, and Deb Foster

Members absent: Angel McKenna

We discussed the DNR: Community and Urban Forestry Grant. The application deadline for this grant is September 29th. We talked about using the grant for an inventory of the street trees. This would allow us to come up with a list of any trees with issues that needed to be attended to. It is also possible that the funds could be used for the Going Green in the Grove event or mailings for tree trimming.

Meeting adjourned at 6:32 pm

Next meeting: Monday, October 22, 6:00 pm at the Hornet Park Community Center.

Respectfully submitted,

Matt Nelis, Secretary
