

Greenscape Commission Meeting

July 18, 2011 6:00pm

Hornet Park Community Center, Room D

Members present: Tim Latimer, Dave Miller, Lynn Huff and Beth Berg.

Tim Latimer and Beth Berg, along with Brad Meriwether and Tom Hannan, attend a meeting at Crossroad Engineers to review landscaping plans for the roundabout to be constructed at the intersection of 17th Avenue, Churchman Avenue, and Albany Streets. Recommendations were made and accepted to reduce the number of trees planted, replace black-eyed susans with Stella d'Oro daylillies, and replace *Acer* species (Maple) with *Nyssa sylvatica* (Blackgum - Sourgum - Black Tupelo), which is a native Indiana tree. These changes will reduce maintenance requirements. Plans are for the intersection to be open by the start of the school year. Trees will be planted at a later date, probably in early October.

Plans for Arbor Day were discussed.

The next meeting of the commission will be Monday, August 15, 6:00pm at the Hornet Park Community Center.

Respectfully submitted,

Beth Berg, Greenscape Commission Secretary
