

Greenscape Commission Meeting
June 18, 2012, 6:00pm
Hornet Park Community Center

Members present: Dave Miller, Jacki Brown, Beth Berg, and Tim Latimer

Several agenda items from the previous meeting were reviewed. Dave Miller would still like for the Commission to meet with Mayor Buckley. Our meetings conflict with other city meetings, so this would have to take place on another evening. Dave Miller will contact the Mayor at a later date.

The Commission is still interested in pursuing a tree planting project at the Middle School softball diamonds. Miller will contact School Superintendent Dr. Paul Kaiser and set up a meeting to determine whether the schools would be interested as it is their property.

We will plan for a fall Arbor Day Tree Planting and Ceremony, late September or early October.

Some of trees in the roundabout aren't doing well, as well as the serviceberry trees at Centennial Park (Pocket Park). Complete Tree Service recently removed a street tree on North 9th Avenue which was in very poor condition and performed some dead-wooding in Sarah Bolton Parks as well.

Beth Berg gave an update from the Parks Board.

For the July 3rd Fireworks, we will plan to set up our booth around 4:00pm.

The next meeting of the commission will be Monday, July 16, 6:00pm at the Hornet Park Community Center.

Respectfully submitted,
Beth Berg, Greenscape Commission Secretary
