

Greenscape Commission Meeting
September 19, 2011 6:00pm
Hornet Park Community Center, Room D

Members present: Tim Latimer, Dave Miller, Beth Berg , and Lynn Huff.

This year's Arbor Day celebration will be Saturday, October 8th, 11:00am at a location TBD in Sarah Bolton Park. (Note: The Arbor Day planting will take place at the main entrance to the park, with additional trees planted in other locations.) Beth Berg will contact David Laker with JDSU to confirm wording for the proclamation. Dave Miller has been discussing the proclamation with Joey Fox. Tim Latimer will invite Mayor Dilk to present it. Lynn Huff will take photos of the event. Laker will also be presented with an Arbor Day flag for JDSU.

Miller suggested working with Mike Pence and the Lion's Club for next year's Arbor Day event.

Miller reported a street tree was removed at 4th Avenue and Bellefontaine. Berg will request a current list of trees removed from Brad Meriwether to update inventory records. Miller also reported that insurance monies will be used to replace the two street trees damaged in an auto accident on Emerson Avenue in front of the Moose Lodge.

Mayor Dilk will be notified of the open position on the commission, which is a mayoral appointment with an end date of December 31, 2012. Miller will contact the Mayor at a later date regarding the reappointment of himself and Lynn Huff. Both terms end on December 31 of this year and both agreed they would like to continue their service.

Trees for the round-a-bout will need to added to our inventory after planting.

There was discussion on meetings for November and December with the holidays. The November meeting will stand and there will be no meeting in December.

The next meeting of the commission will be Monday, October 17, 6:00pm at the Hornet Park Community Center.

Respectfully submitted,
Beth Berg, Greenscape Commission Secretary
