

Greenscape Commission Meeting
July 16, 2012 6:00pm
Hornet Park Community Center, Room D

Members present: Tim Latimer, Dave Miller, Beth Berg, Lynn Huff and Jacki Brown.

Dave Miller reported Dr. Paul Kaiser, Superintendent of Beech Grove City Schools, is interested in working with the commission on a tree planting project. He and Tim Latimer will be meeting with Dr. Kaiser for further discussion.

Miller also asked Latimer to include in the August report to the City Council that with the drought conditions, no new trees should be planted at this time and into the fall.

Jacki Brown shared that the Beautify Beech Grove Committee will be having an information booth at the Promoter's Club Fireworks on August 25th and on the Saturday of the Fall Festival. The booth will be available for any city board or department to share information with the public. Consensus was for the Greenscape Commission to participate in this rather than have a separate table. Lynn Huff will have the commission banner and other materials.

Beth Berg gave an update for the Parks Board.

The next meeting of the commission will be Monday, August 20, 6:00pm at the Hornet Park Community Center.

Respectfully submitted,
Beth Berg, Greenscape Commission Secretary
