ONLINE BILLING FAQs

[Paperless Billing Terms and Conditions](#)

If you agree to receive email notifications telling you that your bill is available to view and pay online. Instead of receiving a paper bill, you will view the same bill online. The bill (available in both pdf and html formats) can be easily printed should you need a paper copy. You understand that:

- City of Beech Grove will stop mailing you a paper bill each billing period.
- You must provide up-to-date contact information – if your email changes, you must update your online account prior to the next bill in order to receive notice of that bill availability. In the event you do not receive notification, it is your responsibility to sign in and check on the delivery of new bills.
- If emails are returned as undeliverable, we reserve the right to return your billing to paper. You may re-enroll at anytime after correcting any email address errors.
- Access to your current bill and history is available 24x7 through the City of Beech Grove website.
