

Beech Grove Senior Citizens- January 2014 Board of Works Report

In January we transported 128 times

- Transportation Log attached

January was a rough month with the crazy Indiana weather.

In my 13 years of employment at the senior citizens center we have never had to close due to inclement weather more than two days that I can recall however, we had 4 snow days in this month alone which in turn cut back on the transportation as well as other activities in the center.

We were still able to conduct quite a few of the scheduled events such as our Bingo luncheon, brunch, movie, crafts, Wii bowling and etc..

I think we are all hoping for a better month in February and looking forward to Spring !

As always I would like to thank our many sponsors that help us all year long.

Respectfully submitted:
Carla Marchbanks
Director of Senior Citizens

These are just some of the activities we provided during the month.
