

Beech Grove Senior Citizens-January 2015 Board of Works Report

In January we transported 105 times

- Transportation Log attached

January was another wicked weather month causing us to either cancel or postpone several activities at the center thus dropping our transportation amounts considerably. Our main goal however is to put the safety of our members first and foremost.

We did have our bingo luncheon and our monthly birthday/ bingo celebration.

We also enjoyed a movie and snacks at the center. We had a kitchen shower to replenish our dish towels etc..

Nominations for officers were made.

We are all hoping for some better weather next month and maybe we will be able to resume more of our activities.

*Respectfully submitted:
Carla Marchbanks
Director of Senior Citizens*

These are just some of the activities we provided during the month.
