

PUBLIC SAFETY MEETING JUNE 24, 2015

ALL MEMBERS PRESENT

Police: auction went well. Items from police, DPW, parks and senior center were sold. All plans are in place for the July 3rd fireworks. A request for no parking sign at south end of Glengyle, committee recommended it and suggested that the council members for that district take further action. Persons of interest are being checked re the home break-ins the past two weekends. The meeting with Walmart on June 18th seemed like they wanted to help and become a good neighbor, next meeting is June 25, 2015.

Compliance: They are working one short in the compliance office. Derek is busy with tall grass and weeds plus he is helping the building commissioner when he finds a company without a permit. Plans for a compliance website in the works. A vacant house list to be given to police and fire.

Fire: Smoke detectors are checked when the fire dept. has a run to a beech Grove home and they have some that can be installed if there are none in the home. All AED's have been put into city buildings except for the library; they are not wanting one at this time. Loaner AED's are available to groups. CPR is being arranged at the committee center, contact Angel for further info. Dept. is doing interviews for fire fighter they have 2 openings and 1 for medic.

Citizen: Crime watch meetings have started again will have a police officer attend if invited and one is available, Debbie is to give the Chief the dates and times. Dates for crime to be posted on the city web site. Would like to have a city ordinance for address's to be put on garages that have an alley access.
