

## **Beech Grove Senior Citizens June 2015 Board of Works Report**

In May we transported 145 times  
\* Transportation Log attached

This month has been quite different at the center as far as transportation goes. We put our old bus in the auction so we have been transporting strictly in the car which makes it a bit more difficult however we are managing and it makes it a little easier to bare since we know we have a new bus coming!

We took one last trip on the old bus, our annual trip to New Buffalo Michigan. We rent a house there on Lake Michigan and spend the weekend. Once again it was a very enjoyable trip.

All of the members are looking forward to the arrival of our new bus, hopefully sometime in July and we are very thankful for our new, (much needed ) car. We will be able to get back on a busier schedule when we have the bus and the car.

These are just some of the activities we provide during the month. For more information please call 788-4987 or log on to: [www.beechgrove.com](http://www.beechgrove.com) and go to the senior citizens link under community

***Respectfully submitted:***
