

Beech Grove Senior Citizens May 2015 Board of Works Report

In May we transported 126 times
* Transportation Log attached

May was a pretty active month at our center. We had our regular monthly meetings where we were entertained by Frank Hammal.

We celebrated the monthly birthdays with cake and punch and then played bingo.

The Waters of Indianapolis provided a free lunch for all and we introduced a diabetic and nutrition class sponsored by 1st Care home health.

Ten seniors enjoyed attending one of the Indians afternoon games.

I took a group of our members to Mrs. Curl's ice cream in Greenwood so they could fill up on lunch or desert or both. We also had a great time when we went to Auntie Aimee's in Hope Indiana where we had lunch at the tea room and shopped in their little town square.

At the end of the month we hosted our annual Block Party @ Sarah T. Bolton park. The weather was beautiful and attendance was great! Thank you to all of our wonderful sponsors for making it another successful year.

Exciting news on the business end of the spectrum, all bids for the new senior bus were returned, bids were opened at the BOW meeting and the winner announced on the 18th. The new bus has been ordered and we are anxiously awaiting its delivery so that we can plan some more trips

These are just some of the activities we provide during the month.
